## MANAGING ORDERS

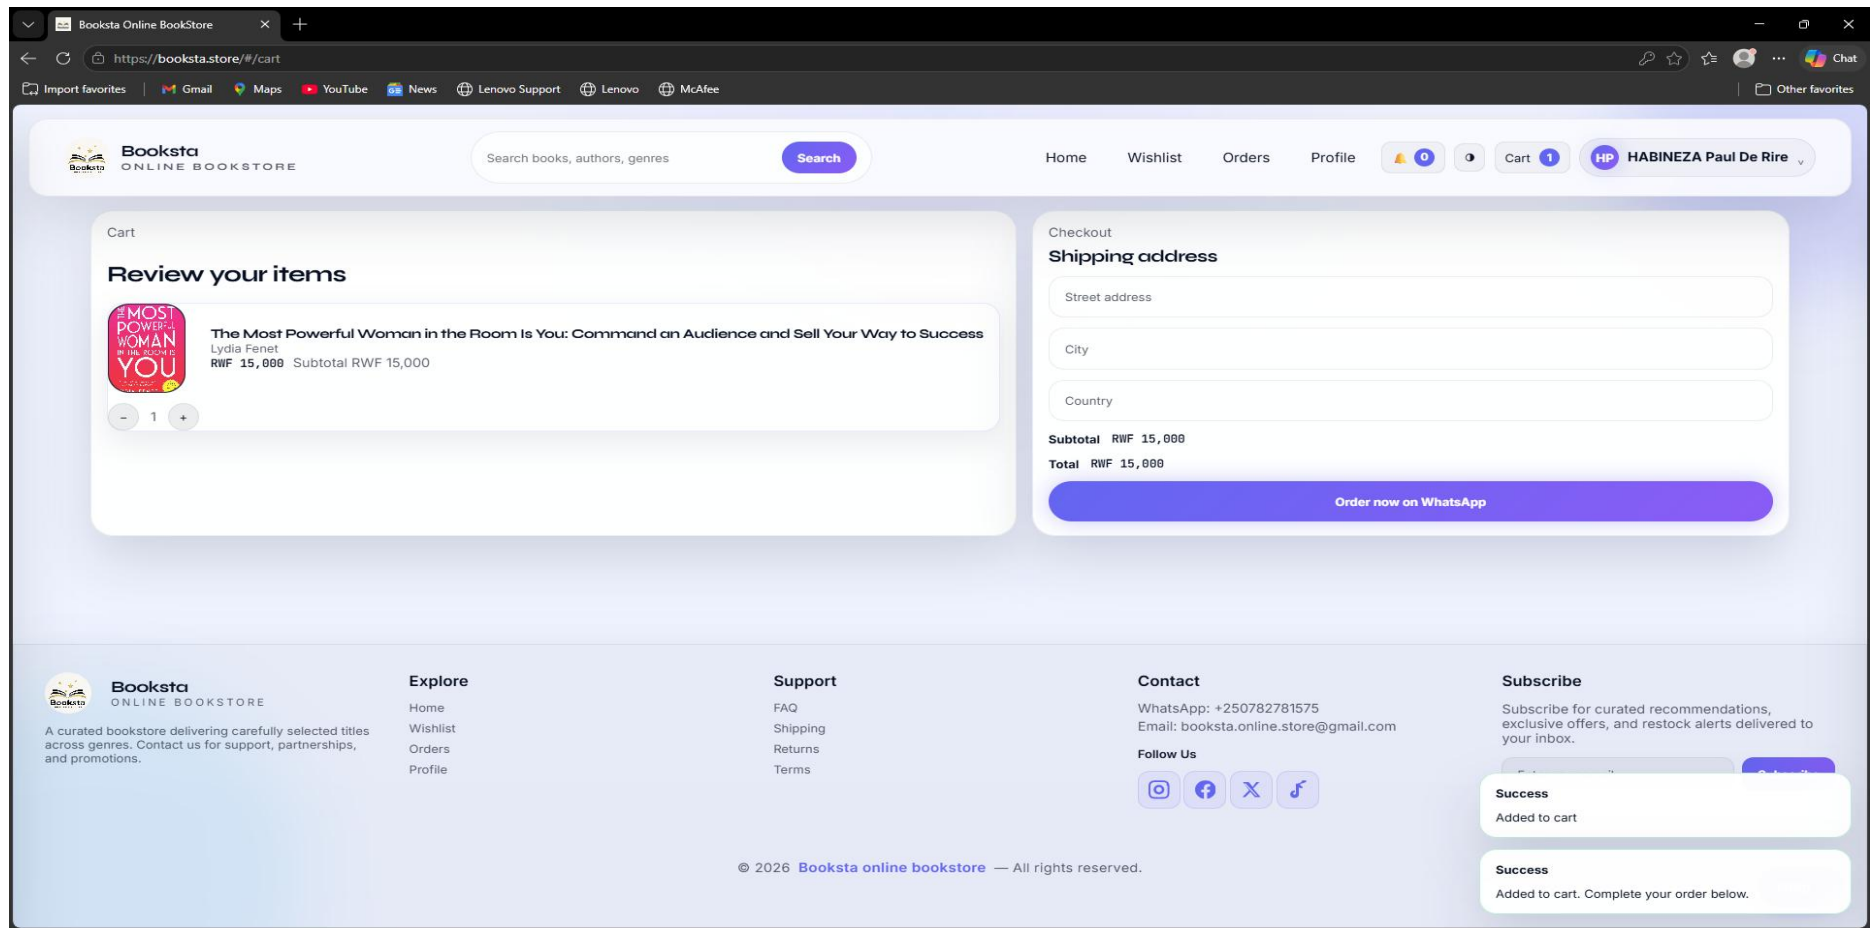

15. Since the app does not allow the in-app purchase the orders will be managed manually

16. When a user clicks buy

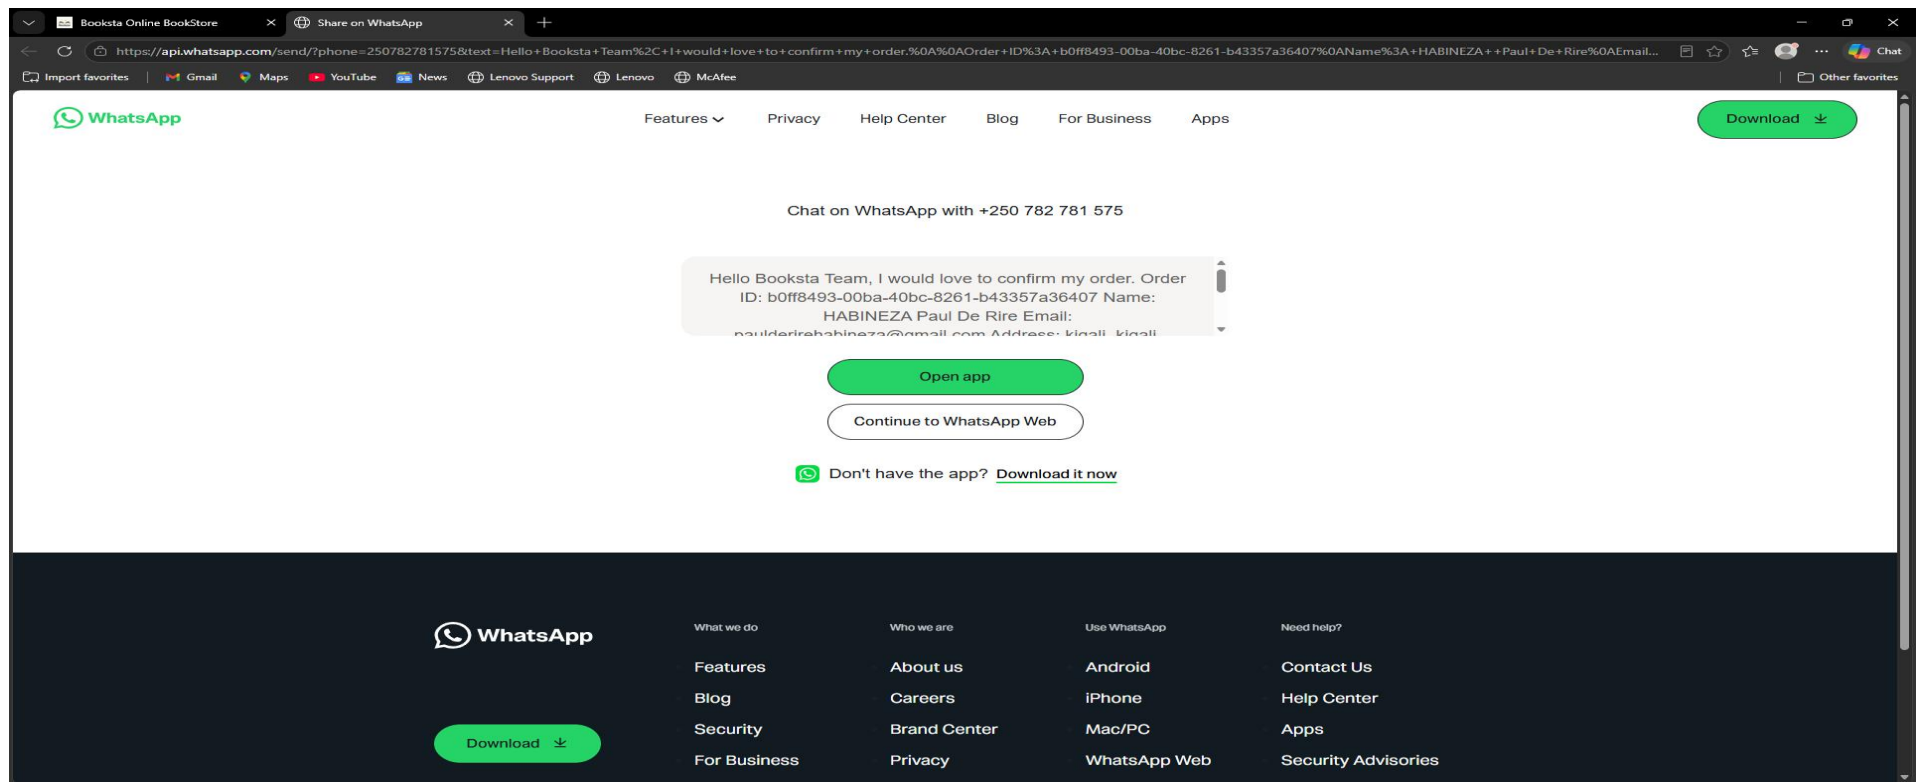

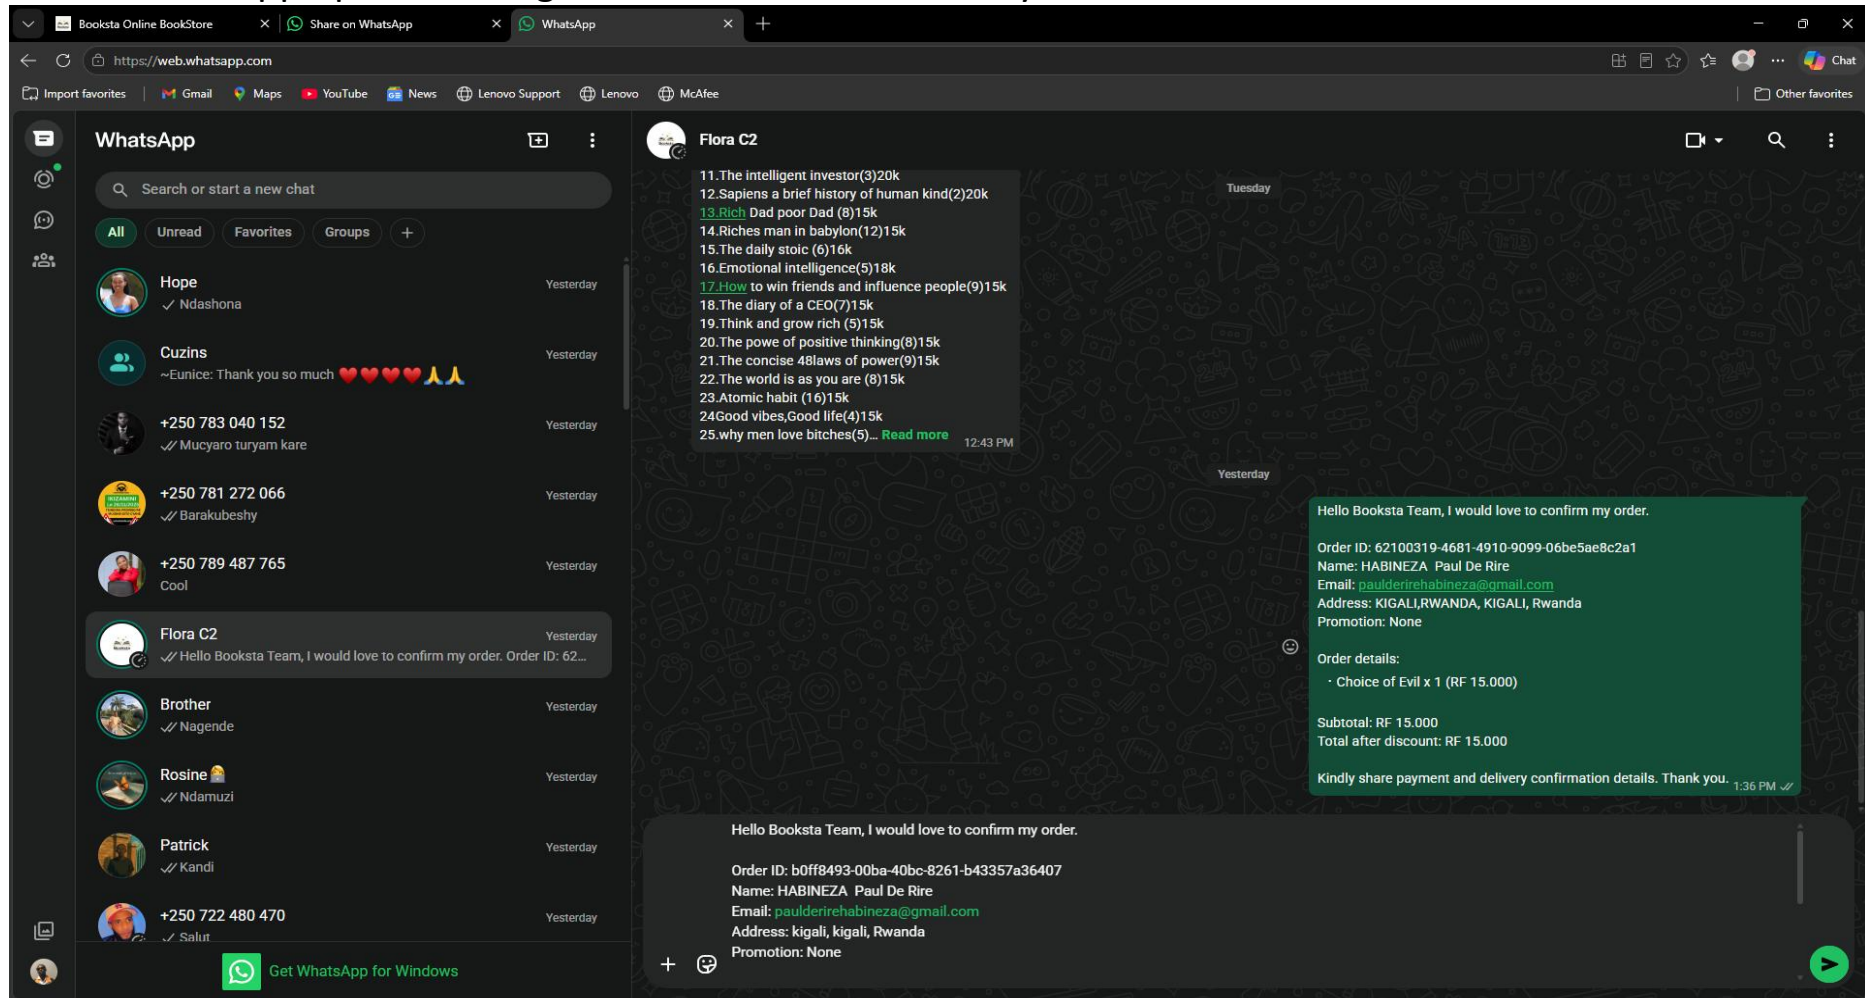

17. An order I added automatically to the cart and direct him to the checkout page

18. A user inserts the amount of books he wish to buy and shipping address
19. And then Click order on whatsapp
20. If a user is using laptop it opens an option to use whatsapp web or app
21. If a user uses mobile device it opens the whatsapp app

22. Then the app opens message with the order details to your number then click send

23. Since you still need to maintain stock and the orders are done off app

24. You navigate back to the app on orders page you see the current open orders which are pending

## PROMOTIONS

### 30. Open promotion page

## 31. Click new promotion

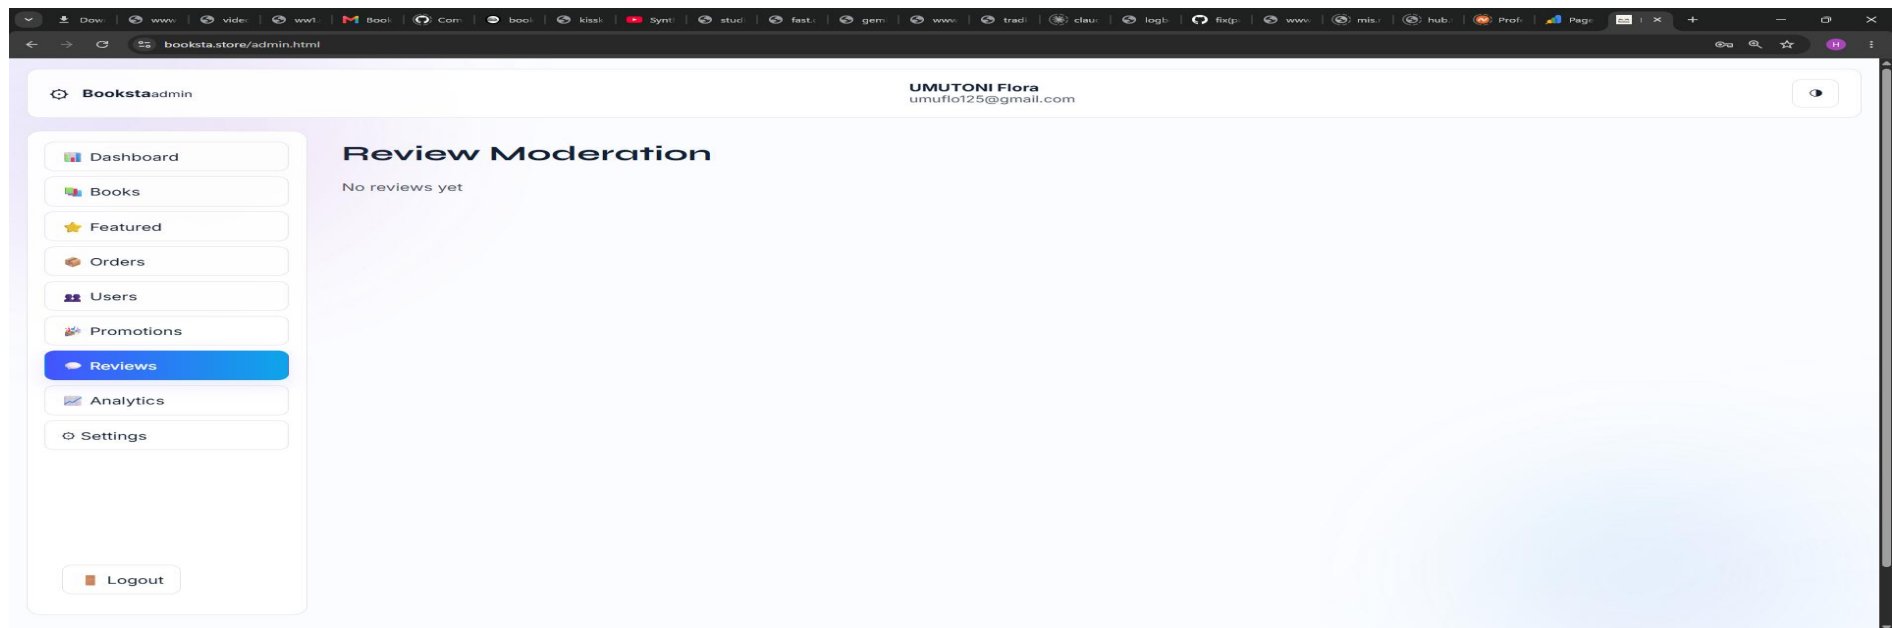

The screenshot shows the Booksta admin interface with a 'New Promotion' modal form open. The background interface includes a sidebar with navigation links: Dashboard, Books, Featured, Orders, Users, Promotions (highlighted), Reviews, Analytics, and Settings. At the bottom of the sidebar is a Logout button. The top right of the interface shows the user 'UMUTONI Flora' with email 'umuflo125@gmail.com' and a 'New Promotion' button. The modal form contains the following fields and options:

- Code \***: Text input with value 'SUMMER20'.
- Description**: Text input with value 'Summer sale promotion'.
- Discount Type**: Dropdown menu with value '% Percentage'.
- Discount Value**: Text input with value '10'.
- Promotion scope**: Dropdown menu with value 'App-wide promotion'.
- Choose whether this promotion applies to everyone or a specific customer.**: Instructional text.
- Min Order Amount (RWF)**: Text input with value '5000'.
- Max Uses (leave empty for unlimited)**: Text input with value '100'.
- Expires At**: Date picker with value '06/28/2026'.
- Active**: Checkmark is checked.
- Buttons**: 'Cancel' and 'Save Promotion' buttons at the bottom.

- 32. You set promotion settings it is two way based
- 33. customer-based: specific customer based on sales
- 34. and app-wide based: the whole app promotion
- 35. The save promotion

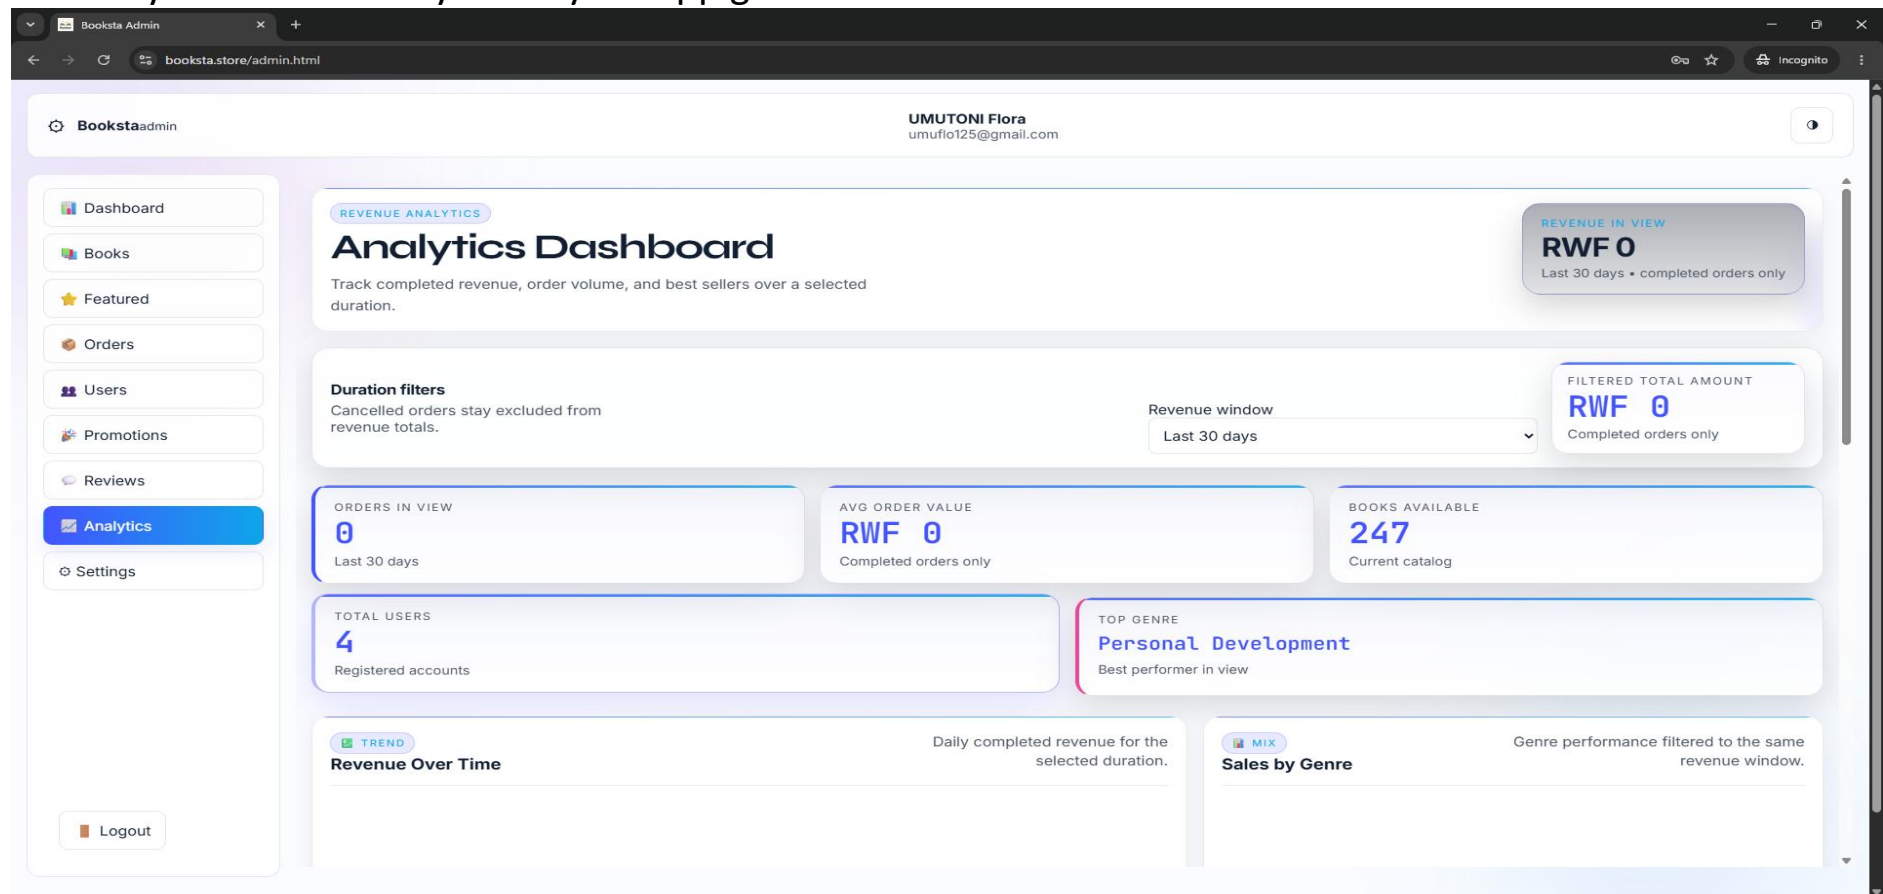

## REVIEWS

- 36. Here you manage the book reviews delete them if they are insulting or keep them

# ANALYTICS

This only shows the analytics of your app general overview

## SETTINGS

- 37. Allows you to set the social media links like
- 38. When you want to change the whatsapp number
- 39. When you change the social medias you configure them here

The screenshot displays the 'Store Settings' interface within the Booksta Admin panel. The page is organized into a sidebar on the left and a main content area. The sidebar includes navigation options: Dashboard, Books, Featured, Orders, Users, Promotions, Reviews, Analytics, and Settings (which is currently selected and highlighted in blue). At the bottom of the sidebar is a 'Logout' button. The main content area is titled 'Store Settings' and contains several configuration sections. The top right of the main area shows the user's name 'UMUTONI Flora' and email 'umuflo125@gmail.com'. The settings sections include: 1. WhatsApp: A field for 'WhatsApp Number' with the value '250782781575' and a 'Save WhatsApp' button. 2. Instagram: A field for 'Instagram URL' with the value 'https://www.instagram.com' and a 'Save Instagram' button. 3. Facebook: A field for 'Facebook URL' with the value '#/social/facebook' and a 'Save Facebook' button. 4. X / Twitter: A field for 'X (Twitter) URL' with the value '#/social/x' and a 'Save X' button. 5. TikTok: A field for 'TikTok URL' with the value 'https://www.tiktok.com/@b' and a 'Save TikTok' button. 6. Password Reset Email (SMTP): A section for configuring SMTP settings, including a field for 'SMTP Host' with the value 'smtp.gmail.com' and a field for 'SMTP Port' with the value '465'. The browser's address bar shows the URL 'booksta.store/admin.html'.

40. Leave email settings untouched

41. You can also change the password

The screenshot shows a web browser window with the address bar displaying "booksta.store/admin.html". The page is titled "Bookstaadmin" and shows the user "UMUTONI Flora" with email "umuflo125@gmail.com". A sidebar on the left contains navigation links: Books, Featured, Orders, Users, Promotions, Reviews, Analytics, and Settings (highlighted in blue). A "Logout" button is at the bottom of the sidebar. The main content area has two sections. The top section, "SMTP", contains fields for "From Email" (Booksta<booksta.online.store@gmail.com>) and "Client URL for Reset Link" (https://booksta.store/#/reset-password). A note states "SMTP password is configured. Leave password blank to keep it unchanged." and a "Save SMTP" button is present. The bottom section, "Admin Password", includes a sub-header "Admin Password" and a note "Change the password for the currently signed-in admin account." It features three input fields: "Current Password", "New Password", and "Confirm New Password". A note at the bottom of this section says "Use this form to update the admin login password." and an "Update Password" button is located at the bottom.
